Connor Feeney

Objective

Highly motivated and results-oriented student with a strong passion for software development. Possesses a solid foundation in programming languages (Python, Java, C++) and front-end development frameworks (React, Tailwind CSS). Eager to leverage self-directed learning and technical skills gained through personal projects to contribute to a software development team.

Highlights

- ❖ Proficient in several high level computer programming languages (Python, Java, C++)
- ❖ Confident frontend developer
- ❖ Dedicated Student and problem solver
- ❖ Head programming in the LPCI robotics team for FTC

Experience

North P&D (February 2024 - June 2024)
- ❖ Co-op position focused on learning and applying React, Tailwind CSS, and Node.js through independent projects and personal development.
- ❖ Developed proficiency in front-end development frameworks (React, Tailwind CSS) and server-side scripting (Node.js).
- ❖ Demonstrated self-motivation by undertaking personal projects to solidify technical skills.

The Sign Of The Skier (October 2022 - March 2024)
- ❖ Provided exceptional customer service, fitting customers for ski boots and recommending suitable equipment.
- ❖ Effectively communicated product features and benefits to customers.

Evolve Camps (Summer 2023)
- ❖ Instructed youth on skateboarding techniques as a skateboard coach, promoting teamwork and sportsmanship.
- ❖ Fostered a positive learning environment, fostering collaboration and skill development among students.

Education

Lawrence Park CI (Graduating 2025)

- ❖ Grade 11
- ❖ Honors Roll student

Skills

Technical Skills
Python, Java, C++, Html, Css, JavaScript, React, TailwindCSS, NodeJS, Android Studio, Vs Code, Visual Studio

Soft Skills
Problem Solving, Time Management, Teamwork and communication

Interests

- ❖ Skiing
- ❖ Skateboarding
- ❖ Building new programming projects
